 AWNINGS

# Making more from the great outdoors

With the Piazza you can get more value from your outdoor space. Create a place to meet in the fresh air, cover an exposed walkway, or invest in a more welcoming entrance for your customers. The Piazza offers you the chance to get the most from your unused business space, giving you a permanent and stylish cover for your customers, whilst protecting them from rain and the sun.

- Shelter from the rain and protection from the sun
- Easy to clean and maintain
- Adds value to your business
- 5 year guarantee

**Peace of mind**  
Both our polycarbonate and glass\* roofing offers, UV protection and is fully waterproof, perfect for all weathers. The Piazza Roof spans a maximum width of 7000mm making it ideal for large spaces or as a covered walkway.
