

Cassette awning

V261 - Genève

- Up to 3 meters projection
- Manual or electrical operation
- Closed cassette for optimal protection

Verano[®] your comfort is our concern

www.verano.eu

The Genève® is one of the many awnings from the Verano® range. It is an outstanding cassette awning with a beautifully finished front profile and top cover. Even when the awning has been fully extended, the fabric roller will not be visible. Can be supplied with a lighting profile equipped with intergrated spotlights, for which a supplement will be charged.

Optimized controls

The V261-Genève is standard provided with an effortlessly mechanism through a crank handle, but is also possible with electrical operation. Additional, you can provide your sun awning with a time clock, sun or windsensor. Your V261-Genève will open and close by itself at moments determined by you or the weather.

Beautiful quality fabric

Verano® has carefully selected some outstanding fabrics, all of which meet the highest quality standards. You can choose from over 100 fabrics in a wide variety of colours and patterns, to ensure you of the best possible UV protection.

Cassette awning:

In closed position, the fabric role is completely locked in the system.

Sturdy engineering

The Genève® offers smooth continuous adjustment with pitch angles ranging from 5° to 35° and by ceiling mounting from 17° to 70° (see diagram on the left). The projection can be 200, 250, or 300 cm. The front profile can be adjusted to ensure a perfect closing of your awning.

Manufacturer's warranty

You purchase an awning to enjoy it for many years to come, problem free. To satisfy this, all our Verano® awnings are produced from the very best quality materials, which enables us to offer you a five-year warranty. This warranty is only valid provided all instructions for assembly, use and maintenance are strictly adhered to.

CE Marking

The CE marking is your guarantee the product meets all current European safety and quality demands.
