The V380-Monte Carlo is one of the many screens in the Verano® range. It is an excellent cassette awning with a sleek front profile and top box. Particularly suitable for larger widths up to 750 cm.

Optimal operation

The V380-Monte Carlo comes standard with a smooth mechanism using a crank handle, but is also possible with electrical operation. As an additional option, you can provide your sun awning with a timer, sun- or wind- mechanism. This will ensure that your awning completely opens or closes at moments you or the weather conditions decide.

Beautiful quality fabric

Verano® has carefully selected some outstanding fabrics, all of which meet the highest quality standards. The choice of the fabric is very important to determine the atmosphere and appearance. You can choose from over 100 fabrics in a wide variety of colours and patterns, to ensure you of the best possible UV protection. Ask for the unique Trend Colors collection!
